| | |
|------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Information for Doctoral Students | Contact: programmieuroppei@unitn.it The International Office will direct the candidate to the specific Doctoral School: http://portale.unitn.it/ateneo/faculties.do?specEd=hp_doctorates&page=/jsp/editorial/editorial.jsp&channelId=-8318&pageUrl=&bp=bp&rootchannelId=-8318 |
| Information for Guest Researchers | Contact: programmieuroppei@unitn.it The International Office will direct the candidate to the specific Doctoral School: http://portale.unitn.it/ateneo/homepage.do?specEd=hp_departments&page=/jsp/editorial/editorial.jsp&channelId=-8318&activeLanguage=en |
| Grading system | Individual courses are graded on a scale of 18-30: 18/23=adequate; 24/26=satisfactory; 27/28=good; 29/30=very good; 30+lode=outstanding. The maximum final university grade is 110. For exceptional students the degrees may be awarded cum laude. ECTS credits: 1 full academic year = 60 credits 1 semester = 30 credits 1 term/trimester = 20 credits |
| Language Courses | For students taking part in international programmes, the university organizes extensive and intensive Italian language courses. Attendance of the Italian language courses for exchange students is free for one course every semester. Students have to pay about 50 euro if: enrolling for the second time in a course not passed before or in which the absence was more than 75% of the lessons; attending other language courses offered by CIAL, except if the courses are required by the study plan. http://portale.unitn.it/cial/homepage.do?utente=Visitatore&rootchannelId=-48484&activeLanguage=en |
| Study fees | Exchange students participating in international programs are waived by any fees. |
| Other remarks | For information about courses, candidates must always refer to programmieuroppei@unitn.it This office will direct them to the faculty referent for international students. |

Welcome Information

| | |
|-----------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Procedure for Eubranex Incomings | http://portale.unitn.it/pos/servizi-accoglienza.htm All international guests who want to stay in Trento for study and research reasons, can ask for assistance from the Welcome Office as regards their arrival and stay in Trento. In particular, the Welcome Office deals with sending the invitation letter, offering assistance in receiving a study visa, giving information about the University and the city, supporting the student in the on-line booking in one of the Opera Universitaria's accommodation or in one of the University flats (for lecturers and researchers); The European Programmes, Cooperation and Networks Office before their arrival, sends to the students the incoming student guide along with information about courses and living at Trento. Students can refer to the Office for any need they may have. Enrolment procedures: http://portale.unitn.it/ateneo/portaledge.do?channelId=- |
